

Step 1

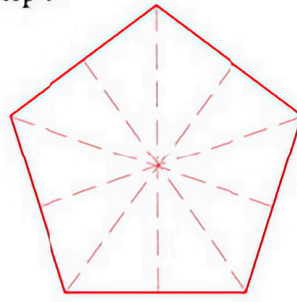

Start with a pentagon

Step 2

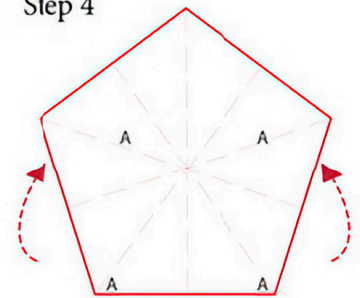

Fold the pentagon in half through each of its points and unfold again

Step 3

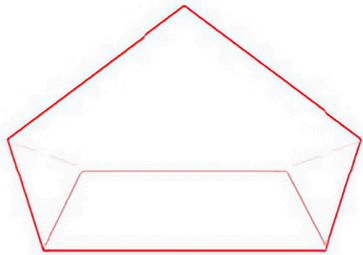

Creases along all points

Step 4

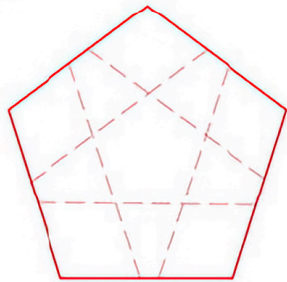

Fold the pentagon in half through each of its points

Step 5

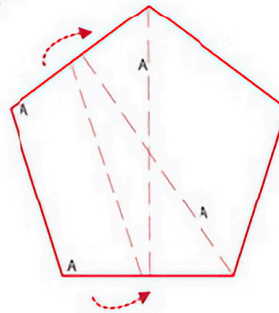

Unfold again

Step 6

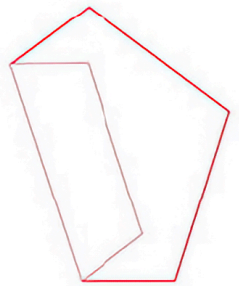

You will now have a new set of creases as shown

Step 7

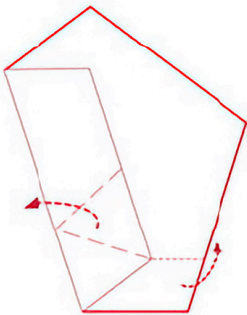

Fold in the left edge along one of the creases you just made.

Step 8

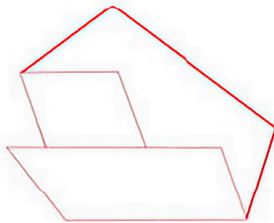

Step 9

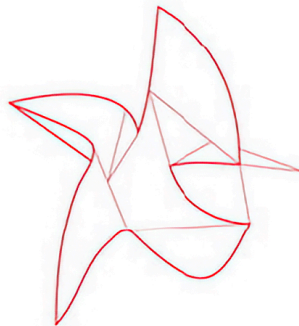

Fold up the bottom edge, at the same time pulling the corner of the pentagon out to the left like this. Squash the fold flat.

Step 10

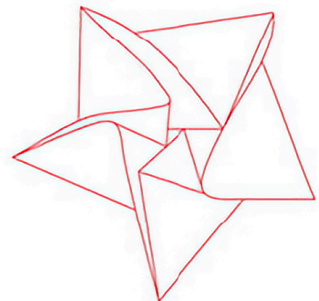

Step 11

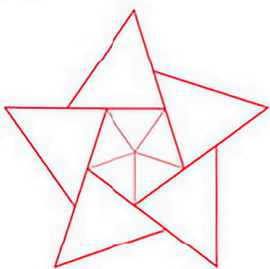

Starting with the pentagon completely unfolded, pinch all the corners together and squash them toward the center.

Step 12

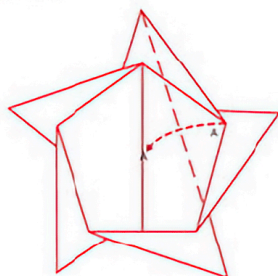

Step 13

With a bit of "massaging" the paper will collapse into a star shape.

Step 14

Turn over the star. Fold in the right edge to the center lineworking clockwise around the star, do the same thing for all the other arms.
